towSearch.com Offers More Detailed Search Capabilities for Trucking Fleet Managers

Keller, TX – January 7, 2008. towPartners® today announced that its free towing and road service provider locator tool, [towSearch](#), has been updated to significantly improve its offering to fleet clients. These updates include search capability for extra heavy duty towing and incident management. In addition, towPartners reports that over 1,000 members have opted-in to provide a 10% discount to first time customers using towSearch.

towPartners has the most powerful network in the towing and road service industries with well over 30,000 members and more than 20,000 of these members listed on towSearch. The powerful towPartners database is updated by the members regularly to include new equipment offerings and capabilities information. Thousands of these updates are made every month. This provides towPartners with the most accurate data available regarding the capabilities of the towing and recovery industry nationwide

“We are happy to provide these updates to towSearch in response to feedback from the users of the system as well as from our members,” stated Jeffrey Godwin, Vice President of towPartners. “We continue to strive to deliver a comprehensive listing of the best towing service providers to the motoring public while assisting our members improving their businesses as we work for the industry.”

The towSearch tool is currently averaging hundreds of searches per day by motorists and others needing to find automotive service providers. The towSearch directory of companies is a free tool searchable by fleet managers, the general public, automotive repair facilities and anyone needing road services. towSearch works from any internet connection or internet enabled cell phone.

towSearch now includes search capability for the following services and more:

- Light Duty Towing
- Medium Duty Towing
- Heavy Duty Towing
- Extra Heavy Duty Towing
- Incident Management
- Motorcycle Towing
- Battery Boost / Jump Start
- Tire Change
- Fuel and Gas Delivery
- Heavy Duty Truck Repair
- Lowboy Service
